## **Underwriter I**

### **JOB OVERVIEW:**

Reporting to the Underwriting Manager, this position is responsible for underwriting all types of medical professional liability policies including, but not limited to physicians, group practices, miscellaneous medical policies, facilities, RRG, excess, umbrella, Locum Tenens coverage and slot policies.

### **REQUIRED QUALIFICATIONS AND SKILLS:**

- 2 to 3 years of medical professional liability underwriting experience. Equivalent industry experience considered. P&C license and/or insurance designation preferred;
- Ability to interpret and follow underwriting guidelines promulgated by the Underwriting Committee and management and as set forth in the underwriting manual;
- Exercises sound judgment and independent thinking;
- Good organization;
- High quality of work without supervision;
- Extensive interaction and communication with customers, and employees, in person and on the phone;
- Handle stressful situations professionally;
- Ability to handle multiple tasks simultaneously;
- Ability to prioritize and manage time effectively;
- Close team work;
- Ability to mentor Junior Underwriters and Assistant Underwriters

### **ESSENTIAL FUNCTIONS:**

- Objective #1: Underwriting (70%)
  - Underwrite policies that include, but are not limited to physicians, group practices, miscellaneous medical policies, facilities, RRG, excess, umbrella, Locum Tenens coverage and slot policies
  - Profitable risk selection of new and renewal business following department underwriting guidelines
  - Initiate non-renewals and cancellations
  - Cancel/re-write policy coverage
  - Prepare new, renewal & tail quotes
  - Remains within premium authority level assigned
  - Analyze and re-underwrite applicable policy renewals (including claims analysis for possible adjustment of credits), which requires attention to what should be done more so than to what was done at the previous renewal
  - Underwriting requests for policy changes
  - Communicate underwriting standards and guidelines verbally and in writing to customers and agents
  - Resident education talks and presentations
  - Monitor accounts for past due payments and handle as necessary
- Objective #2: New business and renewal retention (20%)
  - Contribute to company and department new business and renewal retention goals.
  - Personally interface with agents and insured's as needed.
  - Work on the development and presentation of renewal proposals as required
  - Work with Sales and FSG to quote and obtain new business
  - Work with Policyholder Service Director on policy retention efforts
