

2020 COLORADO COPIC HUMANITARIAN AWARD DR. BEN GALLOWAY

Dr. Ben Galloway is a well-known and respected Denver-area forensic pathologist. His background includes several notable roles—an Associate Clinical Professor at the University of Colorado Health Sciences Center, the Deputy Coroner of Denver, and a member of the pathology staff of Denver Health.

Quiet and unsung, Dr. Ben Galloway has steadfastly been a champion of social justice and racial equality. His life, work, and commitments epitomize what it means to be a humanitarian. Over the past four decades he has sought to reach out to and support those most in need.

As a volunteer at Judi’s House, he supports grieving families and children. Judi’s House has asked him to provide testimony at events over the years about his own personal experience losing a niece to suicide. Because of Dr. Galloway’s work as a forensic pathologist, he has always shown a strong sensitivity for families experiencing loss. For his commitment to their work, Judi’s House honored him with its 2017 Healing Hand Award.

Dr. Galloway has served on the Board of Directors of the Center for Health and Hope since its inception in 2016. Dr. Galloway has used his medical knowledge combined with his own values of care, compassion, and concern to mobilize others to be involved in their work fighting global HIV and AIDS.

Additionally, Dr. Galloway immersed himself in the work of the Belle Bonfils Blood Center. Bonfils (now Vitalant) is a stronger, more vital organization because of Dr. Galloway. He has been a central figure in the work of the organization for more than 25 years.

The list of Dr. Galloway’s volunteer activities, contributions, and recognitions is extensive. For these and many other reasons, COPIC has selected him as the honoree for the 2020 COPIC Humanitarian Award.

The COPIC Humanitarian Award recognizes a physician going above the call of duty as a volunteer in the Colorado health care community. Dr. Ben Galloway chose Judi’s House as the beneficiary of the \$10,000 donation associated with the award. In March 2021, Dr. Galloway was recognized at the Colorado State Capitol, where he was formally introduced before the Colorado General Assembly.

To nominate a physician for the COPIC Humanitarian award, visit www.callcopic.com and select “COPIC Humanitarian Award” from the About COPIC drop-down, or email Laura Wadleigh at lwadleigh@copic.com.
