as their partner**

### COPIC Coverage Area

### Unparalleled Defense

When medicine meets the standard of care, we provide a solid, vigorous defense to protect our insureds. When patients are injured due to a failure to meet the standard of care, we support fair and expeditious compensation.

**38.4%**

faster to resolve a claim than the national average = less time and energy spent dealing with a claim

### Key Services and Programs

Access to a team of physicians, in-house attorneys, top defense counsel, specially trained medical professionals, and claims and HR specialists available to provide trusted guidance.

*The following are no-cost benefits provided to COPIC insureds:*

#### Direct access to experts

- 24/7 risk management hotline staffed by experienced physicians
- Our Legal Helpline helps you understand regulatory, legal, and business compliance issues
- Our HR Helpline provides one-on-one consultation to assist with navigating complex employee situations

#### Programs That Address Adverse Outcomes

- COPIC's 3Rs Program and Candor expertise focus on preserving the physician-patient relationship through open communication.
- Our 3Rs Program is recognized by *Health Affairs* and *The New England Journal of Medicine* as a benchmark in communication and resolution programs

#### Practice/Facility Assessments

- COPIC evaluates your systems to identify high-risk areas, and then develops a customized plan to address these with best practices that support regulatory compliance
- Each year, nearly 2,000 providers are part of these on-site and virtual reviews

#### HR Services

- COPIC's HR team offers seminars and customized trainings such as Hiring for Cultural Fit, Managing Difficult Employees, and Generations in the Workplace
- A library of resources provides access to commonly used forms, job descriptions, legal guidelines, and more
